SCHOLARSHIP WINNERS NAMED

The Scholarship Committee has selected two students to receive CCRTA scholarships for 2009.

Daniel Heflin of New Richmond High School. Daniel will be attending Muskingham College.

Alexandra Bauer of Glen Este High School. She will be attending Northern Kentucky University.

Both students have been invited to the June meeting.

VISIT clermontrta.org FOR NEWS UPDATES

At the March meeting it was decided the website should be the primary communications mechanism for the association. The website delivers more information in a more efficient and timely manner. The traditional newsletter will be scaled back which will result in savings from printing, envelopes and postage. It is hoped that members will make good use of the website for news updates and meeting highlights.
